CARVING EXCELLENCE

ABOUT US

Innovation is synonymous with RSV Wood. We're an ideal synthesis of technology and dynamism, proudly defining the leading edge. And RSV is in a state of constant evolution, offering unparalleled competitiveness and value through efficient, streamlined operations. The RSV Wood team is focused on creating the highest quality products and we consider it to be an asset without compare.

RSV WOOD INDUSTRIES is a highly acclaimed organization with over 30+ years of experience, pioneering in a one-stop solution for wood and wooden products. The group consists of five major independent operating enterprises under its banner which excels as a global wood importer and exporter along with manufacturing and providing end-to-end wooden solutions. Each of our enterprises operates independently under the guidance and supervision of its promoter and partners. The five enterprises of this mega group include RSV Wood Industries, KK Impex, Maa Santoshi Timber, Shiv Timbers & RSV Timber Tradelinks.

Our core values are:

R Reliable

S Secure

V Value for Money

Which are very much highlighted in all operations and products based upon industry standards, thereby creating long term value for all our customers.

Contemporary styles for living spaces have now become synonymous with modern living and we aim to do just that. We cater to every custom need of the client with our ideal blend of conventional engineering in sync with elegant and modern designing acumen. The sophistication of an all-time classic wood is something that can never be replaceable which is showcased in each of our products be it doors, door frames, window panels, etc. We provide you with complete wood solutions by maintaining superior industry standards in all our manufacturing and business practices.
